December 2017

What went behind.....

It was indeed a pleasant start of the year at The Aura, as our guest for the month of November, Rakesh Raghunathan churned out one delicacy after the other from the heirloom recipes of Thanjavur. The well known food writer and raconteur shared stories from his various culinary pursuits and also obliged the audience with soulful music over lunch.

The cookery competition saw good response as members showcased their culinary talents with mouth watering dishes from the Thanjavur region. As the aroma from the traditional dishes filled the air, the irresistible thani kootu by Sowmya and delectable puttu, thoughtfully displayed by Rama, walked away with the prizes.

What Lies Ahead.....

Click, delete, click, share... mobile cameras and Social media have made it possible to click and share every experience with ease. But how do we capture the best of every moment? Grab any camera you can lay your hands on and join us at Uzhavar Sandhai, Annanagar, Tennur at 9.15am for an outdoor photo shoot where we will have a hands-on session with our guest Suhitha Shetty.

At 10.45am, let's assemble at Hotel Sangam for our monthly meeting, where the speaker, an experienced photographer, will guide us through the basic essentials required to take a good picture, like lighting, composition, settings and much more. Suhitha will highlight the features that make a photo interesting without using any complex technical jargon.
