October 2018

What went behind.....

The 8th edition of Fastrak'18, a signature event of the Aura saw more than 50 cars participating in different categories. Hearty congratulations to Poorvadevi, Kaveri Annamalai and Siva Sundhari on securing the first place with the lowest penalty points.

We were happy to have Joel Shibu Varkey, the boy who made India proud by winning a gold medal at the International Olympics for the differently abled, as our guest of honour. Our chief guests DC Myilvaganan, DC Nisha and international rallyist Mookambika Ratnam were all praise for the Aura on conducting the event efficiently. Many thanks to MMSC and all our sponsors who made this event possible.

What Lies Ahead.....

The year gone by saw a variety of programmes ranging from the car rally, The India Art Festival, festeva, workshops on cookery, designing, puppetry and many more speaker meetings which helped us rediscover ourselves.

October is celebration time at The Aura. Do join us with family to celebrate the 13th anniversary with a musical evening with renowned playback singer Srinivas. Sing along or tap your feet, it will be a Sunday well spent.

A warm welcome to our new members, let's reach out and build within!
