Melange – A morning of fusion music

A mesmerizing morning at The Aura, music flowed from classical melodies to catchy tunes. While the spirit was purely Indian, it had a very different feel from the traditional classical concerts.

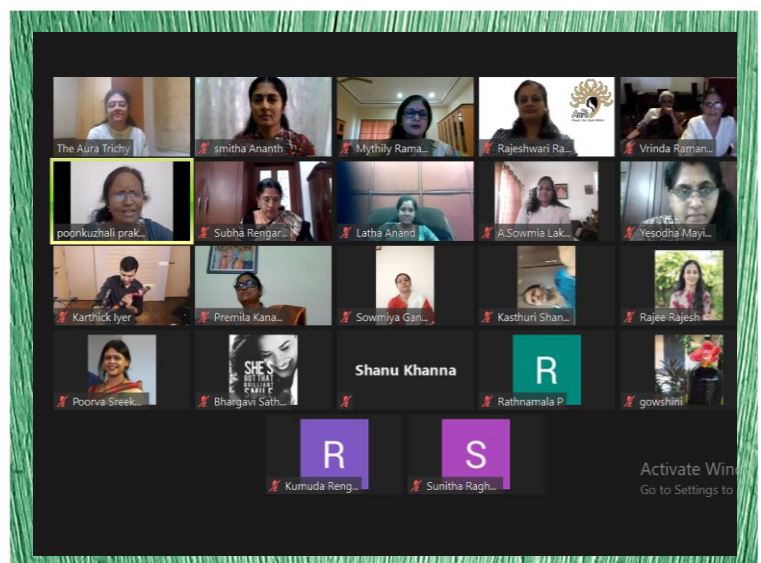

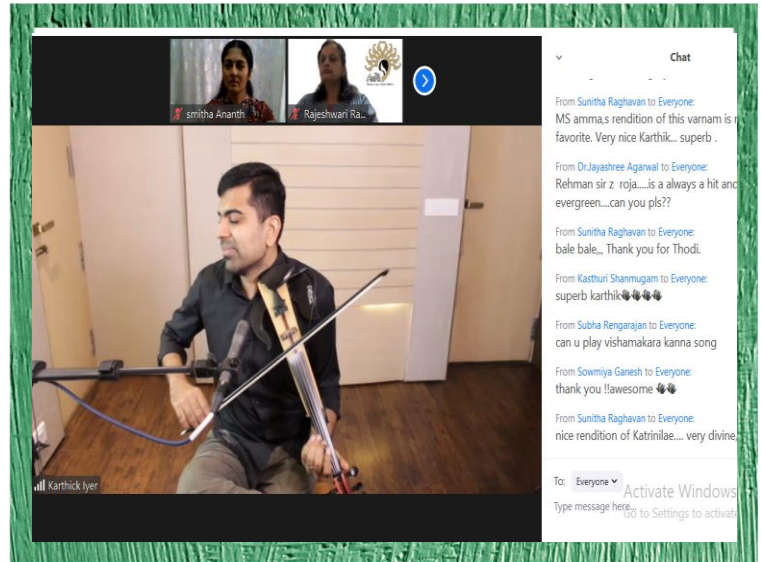

Karthick Iyer, musician and creator of the band Indosoul has taken Indian music to a wider audience. On this Monday morning, Karthick enthralled us with one popular song after another. As requests from the audience kept pouring in, the music lovers at The Aura were in for a musical treat. Beatles to A.R.Rahman, Thyagaraja to Illayaraja, truly it was music for the soul! Poonghuzhali as MC, with her unique style of presentation did a wonderful job and was well appreciated by the members.

Guest Speak

'I had a good experience playing for the Aura. It was nice that I could see all the listeners on zoom. I found the interaction easier and more natural than normal e-concerts.

I found the audience to be very discerning and with a lot of love for music. Enjoyed taking up tasteful song requests and answering questions.'

Sita – The Timeless Hero

Making a difference starts with one step , and then the next. Together we have come a long way, 15 years in all. To celebrate another year at The Aura, let's come together and spend a very special evening over zoom.

To make the event a memorable one, we have with us Sri Dushyanth Sridhar, one of the most sought after public speakers on Sanathana Dharma. He belongs to the new age upanyasakars who connect the young to spiritualism by bringing a contemporary perspective to epics and derives logic.

A graduate from BITS Pilani, he delivers discourses in English and Tamil, interspersed with music in collaboration with musicians. He has delivered lectures at renowned conclaves in India and abroad. He can blow your mind with his flawless English and engaging anecdotes.

Seldom do we talk about Sita, a silent heroine of Ramayana. A woman who was equally powerful like Sri Ram. A woman of grit and determination to take life head on. Login on time, and be inspired by her tale. Be sure not to miss the prizes and catch glimpses of the year gone by.

We look forward to an inspiring, fun filled evening with you!
