

Greetings from The Aura,
The 16th anniversary celebration at The Aura was an event Auraites will cherish for days to come. As we gathered to rewind and relive the special moments of the year, we basked in the presence of our celebrity guest who joined us on a virtual platform.

In conversation with Mythily Ramanan, the cool and composed actor R. Madhavan, spoke about his journey from a small town South Indian boy to a hero who charmed the audience pan-India. A star, so humble, he owes his success to his upbringing and his travels around the globe which taught him to accept people with an open mind, to respect and to understand their culture. Maddy's wit and humour was at the fore as he interacted with the audience. Though overwhelmed by his presence, we all had our fan girl moments, posing for selfies with the chocolate hero.

The members entertainment program saw many talents coming together. "Mere dil mein yoon hi rehena...." went the musical medley of popular hindi and tamil cine songs by our very own nightingales Bhargavi, Sowmiya, Meenakshi, Shilpa, Dharita, Deepika, Pooja and Punita Mittal. The games by Kaveri Annamalai had the ladies run around and team up together. The dance numbers by Shanu Khanna and Kavita Narendran was the cherry on the cake. Truly a memorable morning.

Excellent meeting Aura! Entertainment thru and thru. Though it was a virtual meet with Maddy, the charisma and charm are still lingering, not to mention the good food and ambience. The best part is meeting and talking with friends physically after a lo...ng time. Kudos and 2 cheers to The Aura!
