April, 2023

Greetings from The Aura, India's diverse culture and traditions give birth to numerous festivals and occasions to celebrate.

At The Aura, Holi celebrations were organized by our north Indian members. Right from the welcome teeka, it was a unique experience to us trichietes. A glass of Thandai and a platter of lip-smacking north Indian delicacies, made up a delectable meal. While popular Bollywood songs kept up the fervour, games so meticulously planned added to the fun. All those who attended had a wonderful time, showering flowers on each other. Rang barse... in an organic way. It was a sight of sheer fun and happiness!

With the popular phrase "bhura na maano...Holi hai", it was the turn of the Aura committee to get roasted on the floor of the meeting. Peppy music and an open dance floor was a fitting finale to the fun filled morning. May the colours of holi bring new hope, joy, laughter and togetherness in our lives.
