July, 2025

Greetings from The Aura, Defy, Ride and Conquer- the session in June, brought to our forum a woman who wears many hats. She proves that Success is no accident. It is hard work, perseverance, learning, sacrifice and most of all, love for what you are doing. An inspiring woman, who exudes a positive attitude, encouraging others to believe in themselves and their abilities.

Mookambika Rathinam an avid traveller shared her epic journey of driving 24000kms through 24 countries, spanning 72 days from Coimbatore to London with two other women she met online. She spoke about the lessons they learnt, the challenges they faced and the months of preparation and research that went into the trip. She said the journey had helped them discover their own potential, perseverance, and self belief. The 3 women tried to create awareness and change the way the world sees India.

Aura Aphrodite organised fun filled activities to begin the day. It was a morning full of positivity and inspiration.

“In wisdom gathered over time we have found that every experience is a form of exploration.”

The TSD Car Rally Fastrak is back in town getting bigger and better with every passing year! Organised in a highly professional manner by The Aura, in association with AA Motorsport Solutions, Chennai, Fastrak has over the years become a thundering success and an event to look forward to.

A TSD car rally is not a race. The whole event is based on Time, Speed, Distance (TSD). Drive at the right speed to be at the right place at the right time. The 10th edition of Fastrak'25 themed 'Steer Safe' features four exciting categories. Form your team with friends, family or colleagues and have a memorable day.

Participants must attend the pre rally briefing to acquaint themselves with the rules. There are plenty of prizes waiting for you at the valedictory ceremony.

Life is a journey, the world is yours to explore. Make the most of it.

Trust us, once a rallyist, you never forget it...and you never get over it.
