November, 2025

Greetings from The Aura,

Some evenings become memories and some become milestones, the 20th anniversary celebration at The Aura was both. The evening was a perfect blend of music, humour, awards and excitement.

The legendary playback singer Usha Uthup In conversation with Mythily Ramanan, brought to our stage her infectious energy and humorous self. Draped in elegant Kanjeevaram, didi shared delightful anecdotes from her career of 5 decades. Her reflections on life carried a message to every woman. Then came the unforgettable live performance by the music legend , uniting hearts and sparking joy. What an enjoyable evening it was, soaking in the music, dancing to the tunes of Koi yahaan aha nache nache, Dum maaro dum to Dar...ling!!!

The evening also saw the launch of the video 'The Aura at 20' a narrative of 20 years of our forum along with the new souvenir, a compilation of events with photographs. Our charter members and members with full attendance walked away with exciting prizes on this occasion.

To every member old and new, your passion has fuelled 20 years of incredible growth, thank you for being part of this wonderful journey!

Prelude

**Event: India at 2047
Opportunities and Threats**

Guest: Major Madhan Kumar (retd)
Geopolitical analyst

Date: Monday, 11th November 2025

Time: 10.30am

Venue: Courtyard by Marriott, Trichy

‘Jhanda Uncha Rahe Hamara | Vijayi Vishwa Tiranga Pyara...’ the song makes our heart swell with national pride.

This November, we have with us Major Madhan Kumar an engineering graduate from Madras University who had a challenging and an exciting military career from 2003-09. He went on to pursue his management studies at XLRI, Jamshedpur and pursued a corporate career. Today he is an entrepreneur, budding farmer, motivational speaker, Life coach, Guest lecturer, an avid researcher of Geopolitics & Geopolitical analyst, a columnist and a social cause volunteer guiding the youth of India toward a career in defence & Civil services.

Join us for an insightful discussion on how our nation navigates complex regional geopolitics and potential external shocks. India has the potential to become the third-largest economy, it has been leveraging its position as a major global player. Let us aim for a balanced approach to inclusive and sustainable development by 2047.

“A developed India is not a dream. It’s a mission we can all take up and succeed” said Dr A. P. J Abdul Kalam.

Jai Hind!
