December, 2025

Greetings from The Aura,  
Tiranga in our hearts, pride in our  
voices, many voices united cheering  
for our nation.

Here's to a land of resilience, dreams  
and diversity.

It was a proud moment to meet Major  
Madhan Kumar a decorated Indian  
Army veteran celebrated for his  
service, dynamic public speaking and  
deep patriotic conviction. His  
contributions span multiple fields,  
touching lives and inspiring positive  
change. He Shared real-world  
experience as he spoke about the geo  
political situation in our region, the  
threats, and opportunities in the  
coming years. He created awareness  
about the information war and role of  
parents in instilling discipline and  
patriotism . By embracing his lessons  
and following his work, we can all  
strive to make a meaningful impact in  
our own lives and communities.

The fun filled games and useful hacks  
by Aura Artemis gave a refreshing  
start to the day. We are excited at the  
increasing attendance, see you all  
soon.
