January, 2026

Greetings from The Aura, The December event 'Visions and Voices' brought to the fore, a few of our many inspiring members, who have been changing the business environs in our city. It was a memorable morning of activities, fun and above all revelations!

Among the various panels, 'Resilience and Reinvention' saw the grit, grace and growth of women led ventures. 'The Power Behind the Legacy' was all about the woman's vital supporting roles in family businesses. Homepreneurs hogged the spotlight for turning passion into progress.

It was inspiring to hear their advice and learn from their stories of championing the cause of women in the workplace. Everyone agreed that women bring along emotional self-awareness, empathy, conflict management, adaptability, and teamwork—all essential skills for effective leadership.

Shine on ladies, the world needs your light!
