Greetings from The Aura,

Some voices become so familiar that they feel like a part of our lives. In our monthly meeting in June, we had the privilege of meeting that talented woman behind many such memorable voices .

With the stage set, and anticipation in the air, our members gathered in large numbers for an insightful conversation with Deepa Venkat. A celebrated voice actor, accomplished actress, and energetic radio jockey, she took us through her remarkable journey in the entertainment industry, sharing anecdotes, learnings and the passion that continues to drive her career.

A person incredibly grounded, approachable and inspiring, the morning with Deepa Venkat was truly an enriching experience. The engaging activities by Aura Artemis created a lively atmosphere setting the tone for a memorable and inspiring session.

HAPPY BIRTHDAY

Guest Speak

The program was perfectly planned and smoothly executed. Your members didn't just receive me with warmth, they were genuinely attentive and keen to know more about me, my work, the process, in much detail. I was particularly touched by the manner with which Smitha and Shuba prepared for, and mediated the session with steadfast focus and pleasant smiles.

Occasions like these allow me to reminisce and introspect events of the past, and also share insights about my line of work, and the people involved in it.

Truly appreciate your intentions in helping shed more light on lesser known professions like mine through a unique collective like yours. That's how you live up to your name, I suppose. The Aura 🙏
