Greetings from The Aura, 'When Music Meets Memories' was an engaging blend of entertainment, nostalgia, and friendly competition.

YouTuber & Content Creator Priya Parthasarathy of Tamil Nostalgia fame, kept the audience actively involved, encouraging participation from both avid music lovers and casual listeners. Popular hits of both tamil and hindi film songs from different eras, ensured there was something for everyone.

Participants enthusiastically sang along to familiar tunes, discussed answers, and celebrated each other's successes, making the quiz feel more like a shared celebration of music than a contest.

Aura Athena anchored the show bringing great enthusiasm and keeping the energy high from intro to finish. The nostalgic songs, engaging quiz rounds, and lively atmosphere made the event both fun and memorable.

In his first published work 'Relishing Rajasthan', in collaboration with award-winning author Pratibha Jain, he has presented a magnificent celebration of Rajasthan's vegetarian cuisine. Drawing on years of experience in the royal kitchens of Udaipur, Jaipur and Patan, he shares with us cherished family recipes, royal delicacies and regional gems.

Pratibha Jain, — known for 'Cooking at Home with Pedatha and Sukham Ayu', discovers yet another culinary gem in Chef Sameer Gupta. Her passion for documenting food traditions has come alive once again.

Had an amazing time at today's session! ❤️
A big thank you to The Aura team for organizing such a fun and engaging event.

The music games, puzzles, and tricky questions were super interesting. I loved how everyone got involved throughout the session. Even though I didn't make it to the top rounds, we backbenchers had the best time cheering, guessing, laughing, and enjoying every moment! 😄👏

Those tricky questions gave us total exam hall" vibes 😬, but this is one exam I'd happily write again! 😊

A special thanks to our wonderful host for making the session so lively, entertaining, and memorable. Looking forward to the next one. Backbenchers will be back... stronger and louder! 🤖🎵❤️
