Dear Friends

Greetings from The Aura.

The memory program in June was well appreciated by the audience. The feats of memory performed by Mr.P.John Louis were really marvelous. He made evident how things could be easily remembered if they are associated ridiculously and visualized in the mind. Truly, memory is a skill that anyone can improve and benefit from. It was lively to see the members' overwhelming participation in all the activities. Congratulations to the winning group and a special pat on the back to the champions - Mrs.Kalpana and Mrs.Akila!

It is truly said, 'Mind is not a vessel to be filled, but a fire to be kindled.' So to fan the flames of your astuteness the July meet shall be a break of sorts from the usual tradition.Hurrah...! The Aura celebrates the gala **FestEva' 06** -a whole day packed with lots of fun filled contests and competitions for the members.
