February 2007

Fastrak'07 was yet another remarkable milestone of The Aura. Being the first of its kind in Trichy carrying 66 registrations, this indeed was a grand show along the roads of the town.

It was a honor to have our worshipful Mayor Mrs.Sarubala Thondaiman flag off the cars. Participants were given Tulip charts covering a distance of 56 Kms, the stipulated time being 2 hrs. Ten Control points were fixed to monitor the time speed and distance and that is where the battle line was drawn. So when the rallyist came back they had a great time swapping stories and answers at the end. Everyone did experience their purple patch-their episode of excellence. Truly these excellent experiences can at times occur even in the midst of mediocrity.

The evening valedictory was a grand function with a downpour of prizes. The First prize (12 gms of gold) was backed by Dr.Chitra and her team. The team consisting of Mrs.Mala Venkatesh and her 2 daughters won the second prize. The third prize was won by our Aura member Mrs.Muthukala and her team. Apart from these there were various other criteria like the Black Car, All Aura, All non-Aura teams etc and prizes were given to the first ranked team fulfilling the criteria. Totally, prizes worth Rs.40,000 were lavishly given away in the presence of our Worshipful Mayor and the sponsors.
