June 2008

Greetings from the Aura ...

The forum in the month of June on Fashion helped us find many answers for our queries on different cuts, styles, materials, fashion in vogue and ethnic costumes that would suit a particular figure. Bhuvana Ramanan's creations that were displayed at the venue were striking and very original. There was a complete aestheticism in the stunning color combinations, material combinations and embroidery styles. Bhuvana was able to inspire in us an interest in the arena of ethnic fashion.
