

# The Aura- Newsletter 49

June-2010

## *What went behind....*

This demanding, exhilarating, exhausting yet ennobling challenge of parenting was discussed inside out at the June meeting, when Sangeetha Madhu, a clinical psychologist appraised us on the problems that we confront as parents and the possible solutions that we could come up with while raising them.

One of the greatest responsibilities is that of another life. More so, when we have to nurture it, educate it and guide it towards a life suitable for it to lead. Yet with all the hurdles that we face we are doing it all the time. Parenting is not all that difficult if we use our sixth sense and discrimination power and thanks to professionals like Sangeetha, we always have somebody who we could approach when we are confused and baffled.

Every child is different and every behavioural problem is different from every other. So, we have to be our own parent. She gave us a wonderful insight on understanding our children, knowing them inside out, raising them with values and vision, empathizing with them while being very careful not to indulge in all their demands.

An open discussion of this sort always fills our hearts with a renewed confidence that we can successfully raise our children and lend them our support in every sphere of life.

## *Birthdays in July*

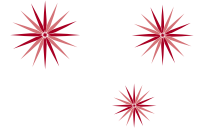

R. Rama	01 - July	D. Sujatha	10 - July

*Event 3: Valedictory....., 06:00 PM, 25.07.2010 (Sunday)...Hotel Sangam*

### *What lies ahead....*

Come July and the ladies of Trichy have something very special, very adventurous to look forward to. Yes, it is the season for our annual Car Rally- the Fastrak'10.

This fourth year we have added a new dimension to this race on the road. As always we have one competition exclusively for the ladies-'Eves on Wheels'. As our spouses and their friends were going green with envy, we decided to introduce a second category for both men and women 'Fun Wagon'.

Exciting prizes are waiting to be won. The forms are available at Hotel Sangam and the last date for Registration will be July 24th 1:00p.m.

This rally will definitely help you to forget yourself and melt into the pure joy and magic of the moment. You will undoubtedly savour every nuance of this ride on the road along with your friends.

Join, jubilate and be judged for your driving skills! Looking forward to seeing you all on Sunday, July 25th 2010.

### *Attention*

- The Pamphlet for Car Rally has been enclosed.
