What Went Behind

An evening of music...With a charming mix of melodies and fast numbers, Srinivas and his Super Singers had the audience dancing to their tunes. It was a different experience watching the singers, live – in concert. From MSV to Ilayaraja to A.R.Rahman, the India Art Festival was a tribute to the maestros of Tamil film music. The Aura fully appreciates the support shown by the members, who patiently sat through the initial delay in commencing the programme.

Reflections

*Music gives a soul to the universe,
wings to the mind, flight to the
imagination and life to everything.*

Thank You

*A special note of thanks to all our members,
sponsors, media, service providers, local
authorities and all our well wishers for
enabling The India Art Festival 2013.*

HAPPY BIRTHDAY

“You can search throughout the entire universe for someone who is more deserving of your love and affection than you are yourself, and that person is not to be found anywhere. You, yourself, as much as anybody in the entire universe, deserve your love and affection.” — [Gautama Buddha](#)
