What Went Behind

Micro Level Planning, Time Management, Resource Allocation, Team Coordination, Team Work and Proper Communication- more than the success of activities, these takeaways were given great importance.

Altogether, the participants had a totally different unique experience..Hurray !

What Lies Ahead

The " Art of Memory "

As we age we often find that certain parts of our bodies aren't working as well as they once did. One of the most common complaints is in the area of memory.

Life is busy and when we have so much on our minds, some information might slip between the cracks, leaving us frustrated that we aren't as clear-minded as we once were.

This month we have an expert in this field, a professional international memory trainer Mr.P.John Louis,to enrich us on this unique technique.

Topic: Memory Techniques

Guest Name: Prof.P.John Louis

Date: Monday,5th August,2013

Venue: Hotel Sangam,Trichy
