WHAT WENT BEHIND

The last monthly meeting of the Aura before our tenth anniversary. . . A three hour workshop on theatre by Hans Kaushik from Magic lantern, the production house of the famed Ponnaiyin Selvan. Using the concept of "freeze frame", Hans taught us to tell a story through a frozen picture of characters. We learnt how the colouration and interpretation of a story can be influenced by postures and expressions. It was interesting to note that even a non descript "Soldier Chellappa" has a message to convey on stage. Thanks Hans, for igniting the spark of histrionics in us. As always it was meaningful merry making at the Aura. The all round warm up exercises prepped us for the running around as well as for the strawberry ice cream and beetroot halwa! The Aura truly transforms the image of Trichy from a hot city to a happening one!!
