## WHAT WENT BEHIND

The tenth Anniversary of The Aura was an event that will be remembered, talked about and appreciated for many years to come. While Bhargav Ramakrishnan had us smiling, smirking, giggling and laughing at his plight in life in his hilarious Stand up Comedy, Robin Chandok's games brought out the child in all of us. The young and the old were running around, screaming for their partners and relishing every minute of the evening. Our members participated in style in the fabulous fashion show Statement 2015 that was sponsored by Tina Vincent and Maalya. The formal function started off on a positive note with a Prayer song rendered again by our talented members. Dr. Akhila Srinivasan, the Guest of the evening and Mr. Ravi Murugiah, a special invitee were full of praise at the activities of The Aura. The release of our 10th year Souvenir and the screening of our promotional video were two distinctive events that marked this very special occasion.

In short, the evening was long, memorable and delightful!

## WHAT LIES AHEAD

To grow you must be open to learning new, more effective ways of thinking and doing and being. Life is a great adventure or nothing at all. The right temperament and the precise spirit is absolutely necessary to achieve all that one dreams of in this adventure.

In our next meeting, Sam Ellis, a Pastor, International Speaker, Visionary, Leader and a Life coach for today's generation will address us. He will help us rediscover ourselves, awaken the potential lying latent within, recognize our aspirations and reach the stars. Our temperament plays a major role in this entire experience. How to manipulate our temperament and help use it to our own benefit will be the crux of his presentation.

This will be the first meeting for the newcomers. So attend without fail, acquaint yourself with the new and the beautiful. . . .time to take off from the ground!

"To become fully yourself, do not follow in the path of another. Use the wisdom of your body, mind and spirit to find and follow your own path. "
