## WHAT WENT BEHIND

Adventurous, fun filled, sensational and exploratory are the only words that can completely describe the Speed Fastrack 2016 that saw 65 registrations. The rallyists had to cover 40kms. in two and half hours. The air was rife with excitement at the starting point at Vestry School. And then the cars vroomed past one by one flagged off by dignitaries. The end point at Keeranur's rifle shooting range was a surprise for all the participants who maneuvered their cars through the rustic route laid out for them.

Congratulations to Poorva and team who bagged the overall trophy besides the first prize in the Eves on wheels category as they had the least penalty points; Deepa Mukundhan and team in the FW category and Aims Associates in the BB category. Meenakshi and team grabbed the first prize in the Novice team.

While the morning was action packed, the evening was delightful. Raja Krishnamurthy was full of praise for the Aura and their work and so were our sponsors BPCL, KRT, Toyota, Gopaldas and Banconus.
