January 2018

### What went behind.....

*The Aura wishes its members a year filled with beautiful moments!!! The December meeting was one of a kind as we met at Uzhavar Sandhai not with bags but with cameras in hand. The outdoor photo shoot gave us a unique experience of street photography. Surprisingly, we shed our inhibitions and clicked away under the guidance of experienced photographer Suhitha Shetty. As a goodwill gesture, The Aura arranged a medical camp at the market in association with Indira Seshadri Nursing Home, which was appreciated by the farmers and vendors of Uzhavar Sandhai.*

*At the regular meeting at Hotel Sangam, Suhitha shared tips on how to take better pictures. A slide show of her photographs highlighting the importance of light, angle, background etc gave us an insight into the world of photography.*

### What Lies Ahead.....

*January is the time to welcome the new year, 365 new days and 365 new chances! Make new resolutions, set new goals. Goals, to make our life more meaningful and satisfying.*

*This month, we bring to you, the journey of a lady who successfully transformed her life into a more meaningful and inspirational tale for the world to look back at. Meet Patricia Narayan, who began her career in entrepreneurship 30 years ago by selling snacks from a mobile cart on the Marina beach. Today she has more than 200 people working for her in 14 outlets of Sandeepa chain of hotels.*

*Ladies, let's come together to salute her indomitable spirit.*
