

A comedy matinee

Laughter truly is the best antidote to the troubles that life may throw at us. The two young stand up comedians from Chennai had us in splits with their wit. Chockalingam was at his best, weaving his humour around his experiences in life. He had the ability to make us laugh at every word he said. Fellow comedian Sriram Prasad shared his experiences of growing up in Trichy with a liberal dose of humour.

Aura Astraea hosted the events of the day with a variety of programs beginning with the prayer song on lord Ganesha. The mime show and skit brought out the acting talents of the participants. The games were fun. Active involvement by all the Astraeans made it an enjoyable event.

The fun meet on Zoom with JAM and Anthakshari has set the stage for the coming online meetings. Thank you ladies for your encouraging feedback on the event.
