15th Anniversary Celebrations

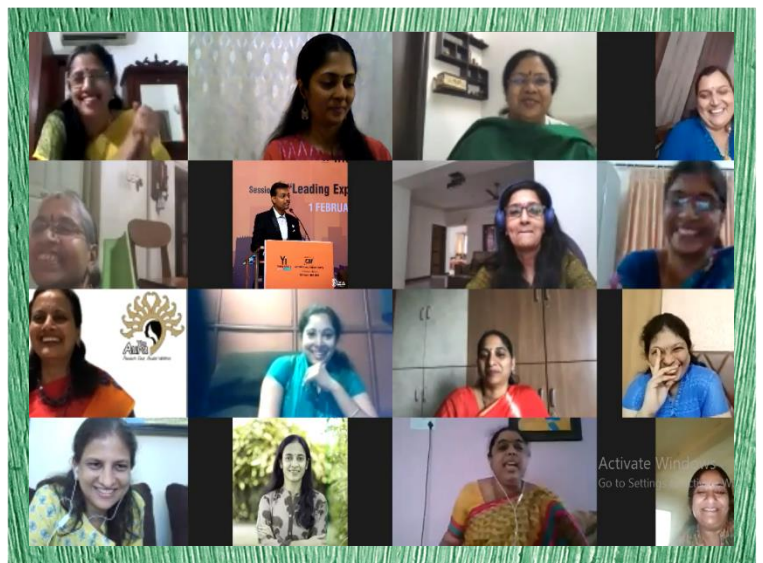

15 years is considered to be a ruby red year and nothing could deter The Aura's glittering rubies from coming together to celebrate the 15th anniversary of The Aura. The prayer song by our member Champa Kalkura set the stage for an ethereal evening.

It was refreshing to hear the modern day Upanyasakar Sri Dushyanth Sridhar present 'Sita' as the timeless hero of the epic Ramayan. Having known Sita as Vaidhehi, Mythili or Janaki, a silent heroine, it was inspiring to hear that she was a strong willed, courageous and determined woman. Trichy's tryst with Ramayan and many more interesting anecdotes kept us glued to our seats.

Women have been celebrated in ancient times, our epics are proof of our culture. The present day Upanyasakars who connect the young to spiritualism are indeed the need of the hour.

Fun and Games

With more new members in our fold, the second meeting was loaded with fun and games to break the ice. More than 50 members joined in for Antakshari, story telling and many more interesting activities. All dressed in the colour of the groups, it was refreshing to see the enthusiasm and active participation.

Let's Zoom in for two events this November!
