January 2021

Let me begin with wishing you all a very happy, healthy and vibrant 2021!

Dot Mandala

Art enabled us to find ourselves and lose ourselves at the same time on the 8th of December, as we sat together for an online Dot Mandala workshop with Mrs Aiswarya Balaji from Bengaluru.

It was great to see the enthusiasm with more than 50 members logging in on time, ready with their kits beside them. Clear instructions and visuals by the speaker, coupled with creativity and enthusiasm by our members called for an enjoyable morning. Painting a mandala is believed to bring positivity into our minds. Let the colours of the art form spread happiness and cheer into our homes.

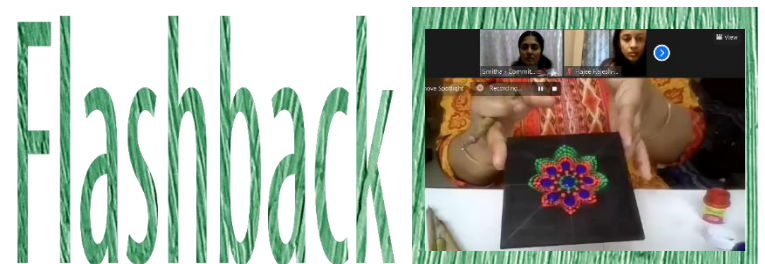

Image Management for Greater Success

Suman Agarwal, the President of Image Management Professionals Association embodies charm and grace that she professionally upholds. In an impressive presentation, Suman said that the biggest pandemic in the world is poor Self Image and Self Esteem.

Image Management is crucial as the first impression is formed at the blink of an eye and people treat you the way they see you. Feel confident about yourself this New Year and you are sure everyone will feel great about you.
