June, 2021

Greetings from The Aura,

Summer holidays are the time we travel, so around the world we went, from one country to another riding on a virtual carousel with Kathai Kalatta. The pioneering story telling organization inaugurated their first ever Virtual International Folklore Festival, Ranga Raatinam at The Aura.

With professional story teller Jeeva Raghunath in command, the Ranga Raatinam spun around connecting stories, culture, traditions, and cuisine of different countries in South East Asia. We were amazed at how beautifully Jeeva brought out the connect between the music and art of India with the rest of the world.

Each story teller acts as a guardian of their culture, captivating the youngsters through art and passing on the traditions to the next generation.

The four Astraeans Sowmya Ganesh, Latha Pala, Latha Anand and Prathiba Srinivasan beautifully led us through the events of the day.

A daughter is just a little girl who grows up to be your best friend. The mother and daughter connection is an intense special bond that is instrumental in the lives of both.

To celebrate this relationship, we have with us a very talented duo Kalaimamani Dr Radhika Shurajit and her daughter Krithikaa Shurajit. Radhika is well known for her unique dance productions which are very popular globally. She conceived and directed the first ever dance show 'Thaka Dhimi Tha' on Jaya TV.

Krithikaa too is an accomplished Bharatanatyam dancer, musician, Television host and Theatre artist. The duo have conducted numerous dance workshops in India and abroad.

With talents galore at The Aura, we present to you an opportunity to pair up with your mother or daughter, or mother in law or daughter in law to celebrate your relationship in your own creative way. Our guests will choose the best of the Dazzling Duos and give away the prizes to the participants.

We look forward to an entertaining morning in June!

HAPPY BIRTHDAY

Guest Speak

I am grateful for the honour of having an opportunity to be a speaker at The Aura club. I had the joy of listening and interacting with all the members as I shared my life's experiences. It was truly a thrill to be amongst a group of powerful women, all motivated to be the change and positively impact the world around them.
