

Greetings from The Aura,

While many of us are drawn to the culinary shows on television, The Aura presented the virtual cooking experience that has been a trend in recent times. With over a hundred enthusiasts cooking together, the home kitchen was full of flavours and festivities.

We were thrilled to have with us the Winner of MasterChef Australia 2018, Sashi Cheliah, live from Adelaide. A delectable spread from Malaysia and Singapore were whipped up in minutes, with Entrée, Main dish and Dessert. It was an opportunity to experiment with new flavours and ingredients. Everything seemed so easy and so much fun.

We congratulate all the winners! The Identify the dish contest, Best plated dish, the selfie contest and audience quiz saw good response from the audience and participants.

The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly to newer and richer experiences.
