April, 2024

Greetings from The Aura,

Spring is the season of new beginnings in the natural world. At The Aura, every meeting revives and reinvigorates. Flowers and smiles bloomed as we met in March for the terracotta art workshop spreading smiles and joy among our members.

We set on a task to create colourful fridge magnets by kneading the clay and creating flowers with the tools provided in the kit. Clay art and craft are the best ways to bring out the creative talents in you and are therapeutic and relaxing. We were ably and 'patiently' guided with step-by-step instructions by young Shaaru Sri who is as expert in terracotta clay modelling. Her terracotta jewellery are truly out of the world.

Aura Aphrodite, the hosts for the day made the morning memorable with lively activities and birthday cards for the members.

We will be back in April with a fun filled morning at the Aura.

HAPPY BIRTHDAY

Committee Speaks

It is indeed a proud moment for us to proclaim that The Aura is entering into its 20th year. This would definitely not have been possible without your unstinted faith, support and cooperation. Thank you everyone, from the bottom of our hearts.

While we reminisce fondly on the years gone by, we, as a committee feel deeply disturbed by some incidents that we would like to humbly present to you.

This is a matter to contemplate very very seriously. It is a known fact that every meeting or event is well thought out and 100% effort is shown before it's executed. As such the meeting dates are informed well in advance (15 days before the event). The attendance has fallen to over 50% in the recent months.

We request all of you to make sincere attempts to attend maximum meetings. After all, with subscription, reaping the benefits is your own isn't it??
