September, 2024

Greetings from The Aura,
United by our unwavering passion for adventure, fun and travel, more than 50 Auraites embarked on a journey to a paradise called Pollachi.

Designed to provide a delightful and relaxing sanctuary, the resort Coco Lagoon offered a wide range of facilities for a rejuvenating stay. We made the best of our time at the resort engaging in all the fun-filled activities from cycling to pottery, music and games, riding the bullock cart around the resort and chatting with friends late into the night!

The restaurant's chefs showcased their skill & experience by crafting gastronomic treats to make our experience at Coco Lagoon even more memorable.

Back now with cherished memories, unforgettable experiences, new friendships and renewed energy, we can't wait to plan our next adventure and keep this journey going!
