

Greetings from The Aura,
Our enthusiasm outshone the bright morning sun as we set off on an exciting heritage trail — The Jain Circuit. The day trip offered a perfect blend of historic insights and camaraderie.

The rock cut Jain temple, natural caverns and beautiful mural paintings at the centuries old heritage sites of Alurutti Malai, Kudagu Malai, Sittannavasal and the ancient burial ground offered an insightful and thoughtfully curated experience.

The Abhyasam team planned their first heritage trail for us. It is heartening to see a team so genuinely committed to preserving the past for future generations.

The beautiful Chettinad heritage and wellness resort welcomed us with authentic flavours of Chettinad cuisine and warm hospitality. A perfect place to unwind with friends.

After an unforgettable day with fellow Aura members, we head home with hearts full of memories and minds enriched by history.

Members Speak

Thank you so much Aura for organising such an informative trip. I was not aware of a couple of places. The best part was the dumb charades and the Antakshri. It was so much fun.

And special thanks to team Abhyasam for their passion and dedication to promote these historically protected heritage. It is heartening to see a team so genuinely committed to preserving the past for future generations.
